

Art Parties at NBAM/ArtWorks!

Children, ages five and up (and adults of all ages) can use their creativity to make original and unique works of art and work directly with an artist in the community. NBAM/ArtWorks! provides all materials and instruction.

Clay Parties are held in the ceramic studio at New Bedford Art Museum, lower level. We can offer an art party of your choosing in another medium. For example, weaving, painting, tie-dye, etc. **We require a minimum of eight people to run a party, and a maximum space for 15 people in the clay studio or 18 in the classrooms.**

The cost is \$15 per person. The parties are 2 hours long. We bill \$25 per additional half-hour for longer parties or for a classroom space to have cake and ice cream. No party supplies are provided however, you are welcome to bring your own.

To register, please fill out this form and mail/fax back, or call us at 508-961-3072.

We require three weeks advance notice. Deposit of \$50.00 non-refundable, minimum one week in advance to secure the date and time.
