

New Bedford Art Museum/Artworks!

## Teen Artist Internship Program 2021-2022

### **Safety Precautions Contract**

1. When in-person, all students and mentors are required to wear facemasks for the duration of the internship. Students and mentors must keep a distance of at least six feet at all times. Any shared materials must be sanitized before and after use. Virtual meetings will be recorded to ensure appropriate behavior from mentors and students are followed.
2. All potentially hazardous materials and tools will be discussed prior to the start of the Teen Artist Internship Program.
3. All students must be given a proper lesson on how to use all materials and tools they may encounter to prevent misuse or misconceptions.
4. Any safety wear (ie: safety goggles, gloves, aprons) that is appropriate for the medium being used must be worn at all times during the internship.
5. If an injury occurs during the internship the incident must be immediately reported to the New Bedford Art Museum/ArtWorks!. Any necessary paperwork must be filled out immediately following the incident.
6. Any concerns regarding the safety of the student during the internship should be reported as soon as possible and will be addressed immediately by the program supervisor.
7. If the studio space is altered or changed at any point during the internship, the artist must contact the art museum to ensure the studio information is correct at all times.

Per Massachusetts state law, any person who has traveled outside of the state must self-quarantine for 14 days upon return. If you or anyone in your household is self-quarantining for this or any other reason, you must contact the New Bedford Art Museum at 508-961-3072 or [info@newbedfordart.org](mailto:info@newbedfordart.org). If anyone in your household tests positive for COVID-19, you must also call or email the museum.

The health and safety of our mentors and students are of the utmost importance. If you do not agree to wear a mask and social distance, communicate any COVID-19 related positive results, and self-quarantine when required, you cannot participate in the Teen Artist Internship Program.

**I have read and agree to observe the above safety precautions listed.  
If I have any questions or concerns I will immediately contact New Bedford Art Museum/ArtWorks! to ensure the situation is addressed.**
