

CORPORATE MEMBERSHIP

Corporate membership is an engaging way to enhance your company's commitment to contemporary art. In turn, the Art Museum offers enriching experiences for your executives, employees, customers, and clients in an entertaining and educational environment. Corporate support helps the New Bedford Art Museum fulfill its mission by funding its operating budget, education programs, exhibitions, and a variety of onsite programs. We thank our corporate friends for their extraordinary commitment and loyalty to the city's Art Museum.
